# Desperate For His Presence: God's Design To Transform Your Life And Your City

## Synopsis

Desperate for His Presence will help intercessors, pastors, and leaders tap into God's heart for churches and cities, in order to bring about citywide revival. As the church rekindles her passion for her first love, Jesus Christ, the book will become a true agent of transformation. From her experiences in Argentina and Guildford, England, Rhonda Hughey, director of City Transformation Ministry at the International House of Prayer in Kansas City, relates what happens to cities when churches are radically transformed by the passion of Christ.

Awesome read!

This book was recommended to me at a prayer conference and I was immediately intrigued by the title. Reading it, I could hardly put the book down. It was as if Hughey was able to articulate what was on my heart. I have since purchased at least 9 copies of the book to give away to friends and

board members. It is easily one of the best books I've ever read.

This is one of the top three books I have read in my entire life. Rhonda was able in these few pages to transform my thinking about serving God in a new direction. Can't rate this any higher but I would.

A strong book of action and well written engaging you to move deeper within yourself to show the love of God. If you believe in the great commission these are the ground rules that work in today's world.

Great book, great price. Arrives on time and in good condition.

This is one book I would recommend for every Christian leader in the ministry read. We definitely miss the mark when it comes to seeking the presence of God and his power in prayer before starting up programs and then wonder why our programs fail.

A very interesting explanation of the problems with American culture, and today's Christian churches.

I am desperate for God's presence in my life. This book is challenging and also a good gift for others.
