Vienna & Bratislava Travel Guide: Attractions, Eating, Drinking, Shopping & Places To Stay

Synopsis

Vienna is the capital of Austria and the country's epicenter for tourism, culture, business, and politics. The city was once the focal point of the Habsburg Empire and Vienna's imperial city centre is a UNESCO World Heritage site. Bratislava on the Danube River has historic palaces, a medieval Old Town, and an interesting set of churches, museums and art galleries. It is the capital and largest city of Slovakia. Located in the southwest of the country, Bratislava is under one hour's drive from Vienna and is the only national capital in the world that borders two other countries (Hungary and Austria).

Customer Reviews

Very superficial. No maps. You'd be lots better off copying the relevant pages from the Lonely Planet guides from your library.

I have been to Vienna many times in the past 50 years, but it always necessary to read a good travel guide before each trip; this is one such guide.
