Customer Reviews

The author writes a terrific book. The only drawback it could be described as such is the story is just a glimpse into what the books are...give us the whole story. :)

This was a short read, but true to all the books Roger Stelljes writes. Full of interesting characters and plenty of twists to make it hard to put down.

This is a short story but it is an excellent one. I thoroughly enjoy the Mac McRyan stories and, of course Lich as well!

Stelljes can always be counted on for a good read. The McRyan series is excellent...this particular offering was not my favorite, but still a good addition to continuing story line. Wonderful characters,

interesting plots and great style... I'm impatient for the next one...

A good fast read. It was far too short, but guess it was supposed to be a teaser story. Anyway, its interesting and worth recommending and I do.

Read in order and enjoy the work of this awesome author. Exciting and quick getting to the plot. Great read.

Very good and fun read! You'll love it.

Just outstanding, great book writer
