The Unofficial Harry Potter Insults Handbook: 101 Comebacks For The Slytherin In Your Life

Synopsis

Got a belligerent bully on your back? Next time your paths cross, say "Every time I see a Dementor, I'm forced to relive our every encounter." Has that frenemy reared her ugly head? Tell her she's the fourth Unforgiveable Curse. Is a know-it-all giving you trouble? Arm yourself with "I can tell you didn't get an O.W.L. in Transfiguration. Otherwise you would've done something about your face." Whether you're a N.E.W.T.-level wizard or a wide-eyed witch still awaiting your Hogwarts acceptance letter, you've probably encountered a merciless Malfoy or despicable Dursley who makes your magical blood boil. If you've ever stood speechless as someone called you a talentless squib, a worthless git or a filthy mudblood, this is the book for you! NOTE: This is a picture book intended for any Harry Potter fan but geared toward younger audiences. This book is NOT a Harry Potter Cookbook companion piece, nor is it affiliated in any way with any other Harry Potter book.

Purchased as a Christmas gift for my 16 year old cousin. She is a Harry Potter fanatic and seemed to enjoy it. She kept using the insults on me, but having never read the books or seen the movies I wasn't terribly offended based on the fact that I had not a freaking clue what she was talking about. Although she did seem to get a pretty good burn in based on the laughter from some of my family members who are apparently more in the Harry Potter know than I am. Why did I have to be a Lord of the Rings fan? I just wanted to understand the jokes and be included. Why did you have to ruin Christmas Harry Potter Insult book? I was so upset that I couldn't even eat my second breakfast.

I bought this as a gift for my Harry Potter fanatic friend. He loves it. He randomly texts Harry Potter insults. It's a cute little book that has some funny insults if you're familiar with the Harry Potter world.

This book is fairly short and cute. The comebacks are mostly juvenile - but funny for for most HP fans.

It was hilarious and exactly what I thought it would be, such a wonderful buy. It provided many moments of amusement.

I had a thousand laughs. Being bullied durinh my younger years, I wish I had this book with me. Could've saved me a lot of tears.

I bought this for my 10 year old niece who is a Harry Potter fanatic and she loves it! If you're familiar with Harry Potter the insults are funny. (I've never read the books so the insults go over my head.) Great book for the Harry Potter fanatic!

After reading some of the negative reviews I was a little worried. I was pleasantly surprised though, it was a very funny and well designed book and my friend who is obsessed with Harry Potter absolutely loved it

I ordered this for my 23 year old daughters birthday. It was a great present, she loved it! I looked through it before giving it to her, it's hillarious. Most younger children may not understand most of it. Definitely for teenagers or above.
