# Harry Caray: Voice Of The Fans (Book W/ CD)

## Synopsis

WGN announcer Pat Hughes presents Harry Caray: Voice of the Fans, an audio/photo tribute to Chicago and St Louis sports broadcaster Harry Caray, one of the most beloved figures in baseball. Caray's personality was as much a part of his charm as his broadcasting skill, and even ten years after his death, baseball fans across the country recall Caray fondly, both for his play-by play calls and his genuinely excited "Holy Cow!" exclamations during the games. Pat Hughes has compiled Caray's most famous calls and broadcasts onto a CD that accompanies the book. By combining Harry's voice with photos and stories of the Cards and Cubs, Harry Caray: Voice of the Fans will give readers not only a fond memory of Caray, but also a "where were you when...?" for many famous games, such as Ryne Sandberg's double game-tying home runs in 1984.

Cubs fan loved Harry. Good read

Great for all baseball fans

Absolutely great, better than I expected it to be

Pat Hughes has done an awesome job of putting this and all the Baseball Voices series together! A must for every baseball fan! 10+ stars

My son sat right down and read it and he isn't much of a reader. I'm glad this got him into reading.

Excellent / thanks

I liked to read the book but as others have said the cd wasn't what I thought it was going to be. I was hoping for more of Harry talking and making calls but it's really not. They do have one part that

has Harry talking that put me in tears from laughing so hard but I won't spoil that for you!

I learned a lot I didn't know but I thought the c.d. would have more of my favorite announcer and not just him being talked about.
