Synopsis

FAMILIAR FACES After fulfilling his promise to Syaoran, Watanuki returns to the shop, where customers request to continue to roll in one after another. But satisfying customers isn't the only thing on Watanuki's mind there's still the mystery of the strange slab of amber, as well as the overwhelming sense of nostalgia that continues to plague him as more requests come in. And while Watanuki tries his best to grant all the wishes before him, his abilities as a shopkeeper are soon put to the test in a different way, determined by the outcome of a single choice.
