Minecraft: Handbook Ultimate Secrets Handbook: The Ultimate Minecraft Secret Book. Minecraft Game Tips & Tricks, Hints And Secrets. (Minecraft Books)

Synopsis

Minecraft: Handbook Ultimate Secrets Handbook There are many secrets in a game as mysterious and dangerous as Minecraft. Gamers from all over the world poured months of their lives into Minecraft, figuring out its mechanics, critters, blocks and items. This handbook is written by one such gamer, who was fascinated by this blocky world and wanted to know everything about it. I ventured out into the wilderness and came back a different man. I had adventures, experienced thrills, made new friends, charted the unknown and braved dangers. And now, I wrote this handbook in which I'll share Minecraft's best kept secrets with you. I hope you enjoy them and may your pickaxe never break.

This was a complete waste of time. Worthless. Do not waste a single resource on this book.

FAKE!! this had to be copied off a scanner or something. its cheap nothing secret about it!

Haven't seen anything new yet. The few items that maybe interesting, don't go into details needed to complete. Not worth it.

My son loves minecraft and this book was in great condition and he's read it twice already.

I never post reviews but this is awful. I just opened package and it looks NOTHING like the other handbooks. Its paper & looks like someone photocopied it. I am so disappointed - but more disappointed for my son. He loves the other handbooks! None of the pages are in color. I am returning! Not worth \$9.99.

Absolute garbage. Black and white photography. Bad writing. Disappointing that would allow sale of this . It's JUNK.

Got this for my niece cause she is in love with Minecraft. She was beyond excited when she got this. She said that it helped her so much!

What kid doesn't love Minecraft but this is not the book of secrets that most kids are looking for. It was more of a comic book.
