The Elijah Calling: The Hidden & Revealed Messiah! (Restoring Truth Book 1)

Synopsis

The most robust and complete end-time prophecy commentary series of our time. Christianity has bought into the myth of multiculturalism out of love and consequently has started to reap the fruits of that seed. Could modern Christianity have adopted some unbiblical and illogical presumptions that have created a breeding ground for deception? Paul warns that unless Christians cling to the truth, "God shall send them strong delusion" to test if we love the truth and if not be condemned for not believing the truth! This is the crucial exam of our time. Jesus Christ (Yeshua) needed to fulfill the fractal of a seed in two parts; hiddenness (seed) and manifestation (fruit). This is the pattern of creation. Have you wondered why Jesus has been absent for 2,000 years? Do you want a better explanation for your friends that you can show them from the scriptures and nature? Just as a seed fulfills the imagery of death, so must the Messiah then after being hidden it bursts forth in resurrection and ascended life like a fruit. "The Elijah Calling" is a robust commentary on the patterns of God, nature, and the scriptures. No Theological library is complete without this book!

only the religious oriented person will find it eye opening.

My pastor told me I found it, found what? The book that I have been waiting for!!! He continued to tell me this is the best hebraic roots books he has ever read and how it answered questions and pravocted more questions. The thing I love about this book, and author is how they get you so excited to study the word, and know what the bible REALLY says!!!

Very thought provoking book. If you think you know about what the early Church was like I challenge you to read this book! Not what most Christians would expect, but take the challenge and be prepared for some surprises.

I have been studying the hebraic roots of my faith for over 4 years now. I am excited about the work this author had put into this book...trustworthy study aids are becoming harder to come by.

Great accurate information

So I got the free download and have been reading it now for a couple of days. Today I ordered the paperback. Why? Because things are happening and digital could be interrupted, no ebook. Plus the paperback is sitting out. Fantastic book. Only 16 pages in if that tells you any thing. Mature? Need the meet for your spiritual growth? Get it. Get this book. If this is volume1 I'm interested to see the subjects of the ones to follow. "''''''''''10 star book not 5.

Just like reading the Gospel.

The Elijah Calling is by far the best for truth of scripture I have ever read. I found it by chance while browsing on line, and decided to read the free pages on . I was hooked, it is so captivating, and you just know that what you are reading is "Truth". I had to order it, and can't put it down. Thank you Ken Mentell for writing The Elijah Calling. A must read for anyone that can handle the Truth.
