Customer Reviews

This is the best writing I've experienced in a book about the Ozarks. The photos are amazing and in a style I appreciate. Comes from a larger book by the same authors titled, "Ozarks" by David Fitzgerald and Clay Anderson, published in 1985 and also available here on . I recommend both books for your Ozarks library.

David Fitzgerald is one of Oklahoma's top photographers and this book just makes you want to travel to all the wonderful spots he's captured on film!
