The Warlords Of Nin (The Dragon King Trilogy)

Synopsis

Darkness and destruction have come to the land. It has been ten years since Quentin helped Eskevar, the Dragon King, battle the monstrous sorcerer Nimrod. Since that time, there has been peace in the land of Mensandor. But everything is about to change. An urgent message summons Quentin to Castle Askelon. The king, who is dying, wishes to name the brave young man his successor. But first, he sends him on an unfathomable mission. What Quentin and his friend Toli, the Jher horseman, discover is not for the cowardly. The brightening Wolf Star is an omen of impending evil that might herald the beginning of the end of mankind on earth. It signifies Nin, a fearsome giant of a man who hopes to add Mensandor to his growing empire. Along with his merciless warlords, they are the fulfillment of a nightmarish prophecy. In *The Warlords of Nin*, the second book in *The Dragon King Trilogy*, Stephen R. Lawhead continues the mythical saga that began with *In the Hall of the Dragon King*.

Book Information

Series: *The Dragon King Trilogy* (Book 2)

Paperback: 416 pages

Publisher: Thomas Nelson; Reprint edition (May 30, 2011)

Customer Reviews

'This is fantasy with thunder and chase, with peril and breathtaking escapes.' *Fantasy Newsletter*

--This text refers to the Audio CD edition.

Stephen Lawhead's best-selling trilogy, The Dragon King Saga, has sold in the millions. Now this spellbinding epic fantasy has been relaunched for a new generation of readers. Combining skillful storytelling with a strong spiritual vision, Stephen Lawhead has established his name among the front ranks of contemporary historical fantasy writers. --This text refers to the Audio CD edition.

Beautifully written and an enjoyable, compelling story line. This book is in the realm of fantasy without going too far. I loved Lawhead's Robin Hood series and this compares very favorably with that. Often I found myself savoring the phrasing and language, re-reading a paragraph because it was so well expressed. High recommendation!

Stephen Lawhead is a fabulous author, a joy to read. His words paint a vivid picture in your mind. His talent is so amazing that he can describe in a few sentences, what other writers can't convey in pages. I was very moved by his description of faith in "the one God". But those of you without faith in a higher power, don't worry, you will still find this a fast paced, thrilling battle story. I loved this book and look forward to reading the next one!

This turned out to be something that I have really enjoyed and know others would like it just as I have. I would recommend this to anyone that likes Christian Suspense/Mystery/Fantasy books. I wouldn't pass this up. I'll be reading this again in the future.

This book continues the adventures of many of the characters from "In the Hall of the Dragon King" but the challenges they face are completely separate. I did enjoy this book a little more than the aforementioned first book of the series. However, I did still find the dialog too flowery and the characters too hard to connect with on any level.

A most thrilling book to read! The country is overwhelmed by an evil army. It strikes to destroy the great castle. Plenty of exciting battles take place, while a small party attempts to locate the lost mines and find a rare metal to construct a magical sword.

I really enjoyed the spiritual truths gently imparted through the characters as they each faced a challenge and sought the Most High to overcome. I especially enjoyed the section about Inchkeith and the Lanathel. A steady read that doesn't exhaust you but keeps drawing you in.

If you have read previous fantasy books by Steven Lawhead, you know something of his style. This is part of the retelling of the Robin Hood story with many new turns and twists that make it more interesting than ever before. A good read and I recommend it fully.

I loved it
