Customer Reviews

"Don't duck this picture book." (Kirkus Reviews)

Goose is impossible to resist. Just look at him! He certainly doesn't mean to cause truck trouble, but . . . GOOSE! Tammi Sauer has gifted us with another laugh-out-loud book, full of fun and big on heart.

Silly Goose! All he wants is to get across the street to have his picnic. But no one will get where they're going at this rate! Love this book and the absurdity of items Goose needs for his picnic. Great book for story time. It also seems like a great book for the emergent readers out there.

This book is absolutely adorable for your young one. This one's a read-more-than-once kind of book that I plan to be gifting this as well during the holiday season because I know parents will get their

money's worth from this one!
