I have given two or three to people I love. It is such a sweet book and so wonderful for using scripture along with such pretty pictures!

I purchased this as a gift, and it was so beautifully packaged that I am tempted to order one for my kids as well! We love Sally Lloyd-Jones' work, and this beautiful set is wonderful. It would make a wonderful gift for anyone who needs a little cheer!

This book is not just for little children. The content in this book is so rich and deep that it will challenge and encourage adult hearts too. The artwork is captivating and well done. The length for each "story" is not too long but I love that each story is tied to a Bible verse. Very useful for Sunday school teachers looking for additional resources that are gospel-centered.

These are some of the best children's Bible stories ever written. They are simple but true to the heart of the story. The whole Bible is about God's never changing, never stopping love for us. David Suche does a superb job with the narration. The children love it!

This is the BEST devotional for kids. I even get teary eyed when I listen to the devotions with her. This book has a focus on our heart connect with God and His love is a way kids and even adults can connect with.

These short one page devotionals are perfect for our family. They are nice when we don't have a lot of time or good conversation starters when we have more time. Our boys (6 years and 2 years) love this and the Jesus Story Book Bible!

Stunning illustrations, wonderful theology for children. I wish these had been available when I was raising my children. I bought this for each of my grandchildren for Christmas (as well as other books by the same author & illustrator), and it's wonderful!

Outstanding book for children--one page devotional thoughts that are packed with good doctrine, quotes from old theologians, and engaging art. Highly recommended!
