Customer Reviews

My daughter loves this book.

I bought this box set for my daughter's god-sister. I loved how bright the colors were. She is in the First Grade and has enjoyed the movie, which has inspired this purchase. She was very excited to have it when we had our Christmas with her family. These books are often inspiring young girls to do valiant things. I can't wait to see how she has enjoyed these.

She loved it!

Grand daughter loves these. She is going on 8. Got them on the Kindle for her.

Bought this as a gift for one of my daughters who has loved American Girl for years. She still loves them as a young adult!

These were some of the best books I've ever read in my life! The American Girl series has tons of great reads!
