Customer Reviews

Jun Mochizuki is the New York Times bestselling creator of PandoraHearts and CRIMSON-SHELL. The success of her PandoraHearts series spawned an extremely popular anime adaptation.

With this volume the arc of the story begins to close in as it approaches its end. For me, this is the most tear jerking volume and I'll definitely say that I cried. With this volume the loose strings are beginning to be dealt with and the end is fast approaching. As always I love this series with all of my heart. The artwork is stunning and the plot line superb!

My daughter is happy and so am I.
