God Gave Us Angels

Synopsis

“What do angels do all day, Papa?” When Papa finds Little Cub looking for angels, it gives him a chance to tell his beloved child about those that may be in their midst, even when they can’t be seen. Exploring their exhilarating Arctic world as they talk, Papa lovingly answers all of Little Cub’s questions about angels—and as usual, she has a lot. She wants to know what they do, how they look, how they guard God’s loved ones, and best of all, how they serve the Creator of the world. “God really created angels to serve him more than us, Little Cub. They love him and would do anything for him.” This uplifting tale will encourage young hearts by exploring the glory and design of God’s messengers, while turning toward him with praise. Customer Reviews

I purchased this book for a special little girl; who sadly lost her little brother. I wanted to do something tangible that might help this little girl understand; (even in the smallest way) to help her understand losing someone she loved. It was well received and appreciated that we thought of her at a terribly difficult time. Beautiful book.

I have bought all of this series for our pre-school and kindergarten class at church. I have spent hours researching books we can use to teach concepts, or support concepts. This series has been wonderful. They are colorful and have wonderful messages embedded throughout their context. Our children loved them. It was a good investment for our children's church. I am buying a set for my grandchildren.

I read books to our grandchildren. This was a well-written book, great for that purpose.

LOVE THESE BOOKS - wonderful way to talk about angels with your child. I have a very intelligent, inquisitive child who doesn't take simple answers as the end.

Such a sweet book, I ordered this as a way to explain about loved ones who have passed on but in a sweet way - and am very pleased with the simple yet comforting way this conveyed the message.

My daughter loves these books so very much and we enjoy reading them to her also. Thank you Lisa for the wonderful stories. We have more than just this one and plan on getting them all.

Gave this to my daughter when my other one was born. My wife's dad passed away several years ago so it was addressed to my daughters as it was from grandpa up in heaven. My wife loved it as did my children. We have read it a couple dozen times in a couple of weeks time.

Story is great and it is biblical. HOWEVER, it is way too long! (too many boring pages.) It would be better if it was short and simple. And illustration is not that bright and crisp. Not so great.
