VIVA Travel Guides Guatemala

Synopsis

This eBook is all you need to explore the heart of the Mayan world. Whether you want to wander the steamy, jungle ruins of Tikal, climb an active volcano, stroll the cobblestone streets of Antigua, or browse through traditional indigenous markets, VIVA will help you get the most from your time in this beautiful country. Guatemala is a place where the past and the present fuse together. The mist-shrouded mountains, green valleys, steaming volcanoes and ancient temples that have cradled Guatemala's civilizations for millennia now beckon hikers, trekkers and amateur archaeologists. Let VIVA be your guide to this fascinating country. With this guidebook, you can: -Explore some of the most impressive ancient architecture in the country, at Tikal and dozens of other archeological ruins -Get off the beaten path and visit Mayan villages little-changed by the passing centuries -Navigate the charming streets of Antigua, one of the most intact colonial cities in the Americas VIVA knows Guatemala like no other guidebook can, as we're the only major guidebook company based in Latin America. We know the language, we know the culture, and we know Guatemala better than a company based in New York, London or San Francisco. The VIVA community of on-the-ground travel writers, local experts and travelers like you are continuously updating and improving this guide at vivatravelguides.com. Join us, and together we'll make the best guidebook to Guatemala even better.

Customer Reviews

This seems like it has a lot of first hand information. We won't be going to later this year, but this looks like it may be the most useful, though truthfully, all the guidebooks we got on Guatemala look pretty good. (I got several to compare).
