Matt And Nicole (Middle School)

Synopsis

By Melanie Marks, the author of BEST FRIEND WARS; and SLUMBER PARTY WARS (This book is not a retelling of any other Matt and Nicole story, and no other book needs to be read before it. It is a new, never been told before story about Matt and Nicole.)
AN EXCERPT FROM THE BOOK
(It's Nicole in the middle school lunch line) • My stubborn eyes keep clinging to Matt. No matter where I try to make them look, they keep lingering back to him. He's like a magnet to my eyes. A magnet that I want to strangle yet hug. Both at the same time. Matt must feel my eyes on him, because he glances up at me and our eyes lock. I get this ache in my chest. This longing. Longing for us to be close again; best friends again. (Or maybe even MORE than friends!gulp!) Embarrassed that Matt caught me spying on him, I quickly turn away from his hypnotic stare. My mangled heart feels like it's going to explode.
SUMMARY OF THE BOOK: Best friends, Matt and Nicole, are in a fight. What's that about? Can they make up and be friends again? Or maybe even become MORE than friends? Hmmm.
NOTE: This book also contains a short story about Ally and Griffin in middle school. And now a free bonus story as well: MIDDLE SCHOOL POWERS (VOL. 4). It's just an added story because readers have been asking for more to the Middle School Powers series—so here it is—a new story included in this book, free.(This book is 190 pages)
Update: Now there is a another story about Matt and Nicole added to this book as well. Enjoy!
Melanie Marks' newest book is: "Ally and Griffin (Middle School)"

Customer Reviews

I like the characters Melanie Marks uses, but it seems like so many stories have been re-told throughout all her books that its starting to get annoying. I want new scenarios, quit telling us about the same situations from a 3rd and 4th perspective. 1st and 2nd perspectives from the heroine and hero are enough, we don't need all their friend's perspectives too.

This was a fun book I like the way you put other stories with it. I love this book. Hayley

Absolutely positively amazing

I love Melanie Marks's romance story, but I have to agree with the other readers that this is a retold story. This story was retold from the original story "High School Boy" and "Kissing". I love the characters Matt and Nicole, but I wish the storyline is a new scenario. It feels wrong for the author to charge \$2.99 for repeating a same story, changed the dialogues and changed one or two characters to make it look like a new story. It seems the author did the same things to other story like "Griffin", "His Kiss" and "Mason and Summer". I believe this is Melanie's writing style. I love good romance story, but it feels wrong to pay over and over for the same story.

I love these books. They are the absolute best. U have to read it. I really enjoy them. I be u will too.

i love this book. i really like the characters, and how you also get little bits of their story in some of the other books from this author.this book is very exciting and interesting and i couldnt put it down.i love alot of the books by this author.matt and nicoles story is VERY fun to read and im sure all girls ages 10-14ish will love this book very much.it is definitely a five star book.

My 9 year old daughter purchased this book on our tablet and she really enjoyed it. I reviewed it first by skimming through the book, and I didn't see anything that would be inappropriate for her age.

She read this book quickly and it kept her interest.

Another super cute story by Melanie Marks. As a school librarian, I always get excited to see a new book from Melanie. The students love her stories and characters. They will be especially excited to hear more about Matt and Nicole. I know when I add a Melanie Marks book to my collection, it will be a favorite amongst the girls. I love it that these middle school books, really are "middle school" books. They don't rush kids to grow up too fast. It is nice for them to read about characters they can relate to and learn from. Thanks Melanie for providing us with great reading material and entertainment.
