I accidently bought the Gluten Free Book so its not what I remember from my childhood Bisquick receipes

Enjoy this book. Really good recipes.

My husband cooks for me now that I am ill and he loves this cookbook. The recipes are easy to follow and they are all very tasty. I have to go on a diet now.

I like Bisquick but am disappointed in this cookbook. I have used several recipes but they are not very good. Very 'bland'. I have found better recipes on the internet.

I bought this for a friend who is in the military and trying to feed a family of 5 along with a lot of bisquick. My friend reports the recipe book is AWESOME and so is the bisquick! Thanks for making it easy to help my friend!!

Some good unexpected recipes that were good that I never would have considered using Bisquick for.

This is a very nice Bisquick cook book. Most of the items are quick and easy and the pictures and directions are very nice.

Very good recipes
