The Complete Forty Hadith

Synopsis

Imam an-Nawawi compiled his collection of forty hadith with the minimum of fiqh and commentary necessary so that they would not be misunderstood by people. Ibn 'Unaynah said, 'Ahadith are misleading except to those who have fiqh'. This collection of ahadith contains essentially useful knowledge.

Customer Reviews

I have read many translations of Imam an Nawawi's 40 hadith, but this offers the most condensed and detailed explanation of each hadith that I have seen. It is just an edge over Umm Muhammad's masterpiece and it is like have an abridged version of Zarabozo's very detailed commentary.
