The book was exactly as advertised.

We loved the walking tours in this book, but avoid the Chinatown one. Very ghetto. Another great trip to YVR and this book was a nice help!

The publishers must have used their original file for the printed book and pasted it straight into electronic format. It was a nightmare navigating around and the maps too small to follow. Our hotel was listed as on the other side of the bay in the map too but we lucked out because we called them for directions from the Victoria Kipper. Can't say much of the actual content as the format did not induce reading. I know the format has possibilities beyond this and I hope the publishers will sort it out in the near future.

Thanks. I liked very much, it met my expectations such as it was described in internet. Nothing else to say.

I BOUGHT THIS BOOK AND THEN DOWNLOADED THE TRIPADVISOR APP FOR VANCOUVER..SORRY I BOUGHT THE BOOK! TRIPADVISOR APP WAS SO COMPREHENSIVE AND DETAILED! MAPS WERE GREAT ETC

We enjoyed using this guidebook on our recent trip to Vancouver and Victoria. Frommer always gives us some good ideas on planning our trips.

The book came exactly as described. It also came very quickly. This book is filled knowledge and I am excited to finish reading and looking through it.
