Mark (LifeChange)

Synopsis

In the gospel of Mark, the author vigorously defends the claim that Jesus was the true Messiah and that His own people, the Jews, rejected Him because He came not as the glorious warrior-king they expected but as a suffering servant. The 18 sessions of this Bible study on Mark show a powerful message of salvation, inspiration, and encouragement. Includes study aids and discussion questions. If using in a group, personal study is needed between meetings.

Customer Reviews

MARK. In this, probably the earliest of the four Gospels, Mark vigorously defends the claim that Jesus was the true Messiah and that His own people, the Jews, rejected Him because He came not as the glorious warrior-king they expected but as a suffering servant. The intensity of Mark's writing and his enthusiasm for Christ's Gospel bring us a powerful message of salvation, inspiration, and encouragement. LifeChange Series: Christians have a lifelong goal: to become like Christ. This involves change, and change isn't always easy. But the more you know of God's purposes for you, the more you can experience His joy and participate in His plan. The LifeChange Series of Bible studies on books of the Bible can help you grow in Christlikeness through a life-changing encounter with God's Word. You'll benefit in these important ways: 1) You'll gain a firm understanding of the book-its historical context, purpose, structure, and meaning; 2) You'll apply its powerful, relevant wisdom to needs and issues you are currently working

through; and 3) Youâ™ll acquire personal study skills and a thirst to return to the book on your own-so you can keep going deeper into its life-transforming truths.

The Navigators is an interdenominational, nonprofit organization dedicated to helping people "know Christ and make Him known" as they look to Him and His Word to chart their lives. Navigators have invested their lives in people for more than seventy-five years, coming alongside them life on life to study the Bible, develop a deepening prayer life, and memorize and apply Scripture. The ultimate goal is to equip Christ followers to fulfill 2 Timothy 2:2 "to teach what they have learned to others. Today, tens of thousands of people worldwide are coming to know and grow in Jesus Christ through the various ministries of The Navigators. Internationally, more than 4,600 Navigator staff of 70 nationalities serve in more than 100 countries.

Great study through Mark. The one complaint would be they skip over too many verses in asking the questions. In our group study we just make sure that we read and discuss all of the scripture written.

Navpress continues to keep comments and questions in the booklet true to the Bible. In places where disagreement on interpretation exist, it is handled well.

The book was in very good condition and good for teaching

This company produces quality Bible study guides. Our small group found this guide extremely beneficial and well written. I wouldn't hesitate to recommend and purchase these study guides in the future.

I love these study guides. Fair and balanced in commentary.

Great study tool!

I have several Life Change Bible reading guides and this is one of my favorites. Nice balance of thoughtful questions, word meanings, cultural aspects that clarify meaning of the passages. Mark is has more action than discourse and there isn't always an explanation in the text so this guide was especially helpful. In addition, the guide offers question for application and further study if you want

more depth.

This study guide on Mark is the second LifeChange Bible study the group I'm in has done. (The other was on Ezra and Nehemiah.) I've been impressed by both of these study guides. The one on Mark provides basic information on the nature of this Gospel and how it differs from the other Synoptics. After this introduction, the study guide consists of a series of lessons that consider passages from the book of Mark and ask questions on the passage under consideration, with space to write one's answers to these questions. Most of these questions are not superficial but make the student think seriously about the passage. In addition, each lesson contains notes for application, for thought and discussion, and for further study. Although I used the guide on Mark as part of a group Bible study, this study guide would also be useful for individual study. All in all, it provides an excellent introduction to the book of Mark.
