Customer Reviews

My buddy suggested I get this book for my kids...and they absolutely love it! Ok, my daughter is a

little young, but my son (4) is going nuts! Daddy is suddenly the funniest person in his life. And my little girl copies everything he does, so I get a nice little wave of laughter every time I crack a joke. It's great! The best part? They're at that age where they want everything again and again and again and again...so not only do I feel like the funniest guy around, I get the same response with every repeat performance!

My grandkids loved them.
