"Learn a few words of Mandarin. Survival ChineseÃ¢â€šÂ¬Ã| has a useful pronunciation guide for the

Romanised pinyin words." Â¢â ¸â •The Telegraph

I am very happy with this book. I am currently trying to learn Mandarin before returning to China this year for a second trip. This book is very helpful for beginners to get the basics you need when traveling to a new place. The book provides pronunciation guides and has both Pinyin and characters as you go along. I use this as supplemental material to actual language learning course work and it is great since it gives you the more useful vocabulary that you don't usually get in a class or through online tutorials.

Always good information to have!

This book was a lifesaver!! I'm not a Mandarin speaker but it enables me to get quick-and-dirty phrases down and to produce them to an understandable degree. When in doubt, the written characters were clutch. I would highly recommend this book to anyone traveling to China or (where I went) Taiwan.

I LOVE THIS!!! It teaches real situations with comics! So fun!
