Jakarta Undercover

Synopsis

Prowling the seedy red-light districts, the underground club circuit and the house parties of wealthy Indonesian society, Moammar Emka offers a unique glimpse into the underbelly of modern, urban Jakarta. This is the book that took Indonesia by storm. Moammar Emka is Jakarta's answer to Carrie Bradshaw; this is "Sex and the City" Indonesian-style!

Customer Reviews

Actually, most of this book is really unexceptional. Some of the scenarios are a little interesting but for anyone who has been to Jakarta for any period of time knows many more exciting and wild circumstances that are available there. In all, its just a series of mediocre stories. Not worth the purchase.
