Emanuel CrunchTime For Intellectual Property (Emanuel CrunchTime Series)

Synopsis

Emanuel CrunchTime provides the right information, in the right format, at the right time to prepare for exams. Based on the trusted Emanuel Law Outlines developed by a Harvard law student (while he was in law school), Emanuel CrunchTime skillfully employs flow charts so you can walk step-by-step through the major principles and topics in the course in a pattern that can be used to analyze any exam question. Abundant tips and ample review features help you approach the final with confidence. The Capsule Summary allows you to quickly review key concepts, and you can test your knowledge by working through the many Short-Answer Q&A s. CrunchTime lets you practice your essay exam skills as well. Exams Tips based on hundreds of past law school and bar exam questions recap the legal issues commonly tested. CrunchTime study aids structure the maximum amount of information you can learn in the last week before exams. Developed for students by a Harvard law student (while he was in law school), Emanuel CrunchTime titles provide the trusted guidance of Emanuel Law Outlines in a tighter, briefer format for quick review at exam time. Flow Charts walk you through a series of yes/no questions that can be used to analyze any question on the exam. The Capsule Summary allows you to quickly review key concepts. You can test your knowledge by working through the ample Short-Answer Q&A s, which are organized by topic. Exams Tips often based on hundreds of past law school and bar exam questions recap the legal issues commonly tested on exams for you. They explore fact patterns typically used to test those issues. CrunchTime allows you to practice your essay exam skills by answering questions asked on past exams. Flowcharts help you craft compelling essays, and you can compare your answers to the samples provided. CrunchTime aids structure the maximum amount of information you can learn in the last week before exams. Uniform in writing style and approach, you can be confident that any title in the series is of consistent quality. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks.

Customer Reviews

i bought one last semester for my contracts class and aced the exam. bought this one for this semester and it really helped me understand the concepts more clearly and better prepare for the exam. highly recommended.

This book was a God send to me. The flow charts were extremely helpful in putting the overarching themes of the course in discreet elements and aided in the organization of my class outline. I haven't gotten my grade yet for the IP Law class I took this fall, but I know having an organized approach to studying the information made me feel more comfortable in the exam.

I'm so glad that I've purchased this book. It's very helpful during final review. And the graphics made a clear structure of Barrett's casebook. This book deserves five star!

For not knowing a thing about IP law when I first took this class, this book was great. ORganized and simplified all the topics. I aced IP law and know this book played a large part in that grade.

I wanted a book on trademarks, but this book only gives you an overview of trademarks. I figured that when I bought it, but I thought I would still try it out.
