The Young Protectors: Engaging The Enemy

Synopsis

Evil can be seductive...Kyle--a closeted, teen superhero who can control fire--has finally summoned up the courage to enter a local gay bar. It's his very first step towards accepting himself.

Unfortunately for him, his very next step out of the bar places him face-to-face with The Annihilator, "the most dangerous supervillain in the world." And the price that The Annihilator demands to keep Kyle's secret will lead Kyle down a path fraught with danger, adventure and unexpected romance.

it wasnt life changing, but i was certainly surprised by the depth of the story. the dialogue is only

occasionally cliché. the connection between our cover art characters was too fast, but maybe that's a commentary? i liked the final part of the story the most. cool stuff, i definitely want more... i hope they'll put a little extra work into dialogue in the future.

Great start to a potentially engaging series. Brought me back and rekindled my interest that I had back when I read The New Teen Titans as a kid. C'mon Woolfson, get crackin' on the next one...please!

Love this series! Looking forward to future editions.

Man I love this book!

Great read. Slow at getting the story out. At least I can read it in one place.

Enjoyed it immensely and can't wait for the next volume. The graphic novel was fun to read. Would recommend it

I love this comic! Great story and I can't wait to own more of it. Keep up the good work Alex!

Excelente. I just loved it. Where is coming the next chapter?
