Customer Reviews

Songs of Protest and Civil Rights is a good introductory book for grade school or junior high music classes to the great music that came out of the Civil Rights Era. The songs are all presented in a piano-vocal setting (no vocal harmony), the book is very clearly laid out. For anyone wanting a more in-depth look at the incredible music of the time, however, get the real source: Sing for Freedom: The Story of the Civil Rights Movement through its Songs by Candie and Guy Carawan (pub. Montgomery: NewSouth Books, 2007.)
