Kingdom Man: Every Man's Destiny, Every Woman's Dream

Synopsis

“A kingdom man is the kind of man that when his feet hit the floor each morning the devil says, ‘Oh crap, he’s up!’ So begins this powerful volume from Dr. Tony Evans, now in softcover. Tony believes that God wants every man to be a world-changer. He skillfully takes readers along a journey through the principles of biblical manhood, exploring how those who live, work, and minister around a kingdom man benefit from his leadership and care. Men will be challenged to fully understand their position under God as well as their position over what God has given them. Equipped with these concepts, they can actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. As Tony contends, the enemy doesn’t want you to know it, but you’re not the man you think you are. You’re a whole lot more. Starting now, you can be a kingdom man.

Any man who truly wants to be a better husband, father, brother, friend, boss, and or employee needs to read this book. Tony has done a great job of taking all the subjects matters we should have learned from our fathers and put them into an easy to understand book with practical application.

This book has changed my life dramatically. This book and the words that come from Tony Evans has impacted my life on a level that words on this review can not explain. This book is so inline with scripture that you can't help but be changed! Do you have problems in your marriage? Do you have problems in your family? Do you have problems in your church? Do you have problems? (I do!!) This book address everything and it is not a how to book, it really brings your focus on God through scripture and real attainable applications. This is from Tony Evans Kingdom Man Devotional sermon from Life Way Men. "Chaos begins when God is not allowed to be God in the heart of a man" This is the whole premise of the book!

Every man should read this book! It will make you a better husband, father, and bring you closer to God! Great job Tony!

This book is a shocking wake up call to the men in our country. The principles this book emphasizes are like a spiritual shot of adrenaline at a time when things seem to be slipping. If you call yourself a man of God or are curious as to what that looks like, I encourage you to give this a read.

This was purchased as part of a church group reading study and I enjoyed it. I'm not sure if that's due to the accompanying materials afforded to us (video, workbooks), but I would think even by itself it would be a good read.

Awesome book. Helps every man realize his God created calling to lead, love, and be great. It is written directly to men in a way that is easy to understand and recall. Great stories and word pictures. Helps turn a man into a Kingdom Man. Great author.

Amazing and life changing. I've really enjoyed reading this book with my churches mens bible study.

Love everything by Tony Evans. Always true, very Biblical, very well written!
