Customer Reviews

The thing about buying on line is you can't feel the weight of the paper, see the quality of the printing or see how big the space is you can write in. This calendar is perfect in all respects. Different from all the landscapes I usually get. Vibrant pictures - fun! Good quality paper so it won't tear when hung on the nail. Plenty of writing space. Reasonable price. I'm very happy with it.

Cool looking retro images lend a nice touch in my kitchen. I buy one every year now and it goes on the front of the refrigerator with magnets.

GREAT MOM CALENDAR I write school crap and other stuff on the large open squares.

Very nice, good coloration

Beautiful

Nice images. Vintage. Colors exactly match my decor. Meets my expectations

Excellent as always. I order these calendars every year.

Wonderful!
