Hidden Diary #2: Just Between Friends

Synopsis

TWO COMPLETE BOOKS! Book Three, *Just Between Friends*: Walking home from the beach, Lucy and Serena come upon a little dog that is hurt and lost – and had no ID tags. Lucy's living in a "no dogs allowed" cottage and Serena's dad is allergic. But they can't leave the poor thing where it is! So the girls devise a secret temporary scheme ... that could mean trouble. Things get even messier when they discover the dog is about to have puppies. Who will take care of all of these dogs? The days are slipping by and they are likely to be caught. Will they figure it out in time or will the dogs be at risk? Can Jake, and Sweet Dreams, come to the rescue? Book Four, *Take A Bow*: For this week's *Diary Deed*, Lucy and Serena must face their fears. Lucy decides the upcoming Island Art Fair is the perfect opportunity for nervous Serena to display her art. Serena's not so sure ... Then Serena comes up with her own idea for Lucy's *Diary Deed*. But the dread of embarrassing herself in public may be too much for Lucy to handle. Each of the four, two-book volumes in this exciting series for girls aged 8-12 includes: fun, friends, family, gentle Christian faith, and a fast-paced read. "...Sure to become popular summertime reading for middle-grade girls. Revolving around the theme of best friends and a secret diary, this book has definite girl appeal as Byrd demonstrates her uncanny ability of writing from the heart of an almost-12-year old." Customer Reviews

I don't know why I liked this book so much I just really like this. I liked that this book is mostly all about two best friends that have adventures. I don't dislike anything pretty much. I would recommend this wonderful book to two best of friends that have adventures.bye

I really loved this book. I think it is a perfect example of real friendship, and also providing examples of how another ordinary girl is impacted by Christ

This was a wonderful book for girls, but also for anyone who loves girls; and who does that exclude? It was a satisfying continuation of the story and continued to develop the characters very nicely. Keep up the good work, Sandra.

I can not put this book down its amazing I hope people love this book as much as I do

This book is very interesting. My eleven year old daughter loved this book but was quite an easy read...

This book is AWESOME! I loved the plotThe characters are awesome. I like Serena the best because she likes art

My daughter has loved this series. I hate that she is on the last one. Please write more Sandra Byrd

I loved this book it was really tempting to read when you were at a really good part I really want to read the next book.
