Sustaining Grayce

Synopsis

Grayce is coping with as much stress as a fourteen-year-old can handle, and then she is asked to help Peggy, a fun-loving teen who happens to be fighting cancer. Share the laughter and heartache as Peggy and Grayce try to live normal lives amidst the craziness that swirls around them. Set in Lancaster, Pennsylvania during the late 1960's, Sustaining Grayce explores how two girls with totally opposite religious beliefs and very different families can learn to love each other and the broken people surrounding them. Their story is a miracle made possible only by God's sustaining grace.

A beautiful story of the power, peace and love Jesus provides and makes available to each of us. To have a friend like Grayce or Tony when growing up would be a true blessing from God...what a wonderful example.

This book blessed me! The story, of a young girl who allowed her own brokenness to be used as the tool through which God made Himself visible to one who desperately needed to see Him, encouraged this reader to trust that He is faithful and strong in our weaknesses. I loved both the story that was told and the style in which it was written. Thank you Sandra Hare for letting The Spirit move through your life and pen!

Wonderfully written: will give to our grand daughters. Also recommended for adults....The characters were very real, and Grayce is person who is kind, full of faith, yet very humble. I loved this book! And i know the author... she is very much like Grayce!

This was a blessing to me.

A book geared for young teenage girls. The message is sweet yet powerful. Beautifully written with a sensitive heart. Hopefully God will use this story to suggest to young girls to be themselves. The message is clear that one doesn't fit in and it is uncomfortable not to "belong" to a popular crowd. Yet there are good life lessons learned through difficult and painful times. And it is so important to always be kind. God bless the author

Finished this book in a weekend, and could not put it down!!! Plan on giving it to both of my daughters to read.....ages 11 and 14....and to all of their friends (and mine!). Such a wonderful message about friendship and faith. Although these girls went through more struggles than I could imagine, Grayce's love of the Lord was so inspirational.....and I won't say more than that.....you really must just read the book! I definitely hope there are more books to follow!
