The Alpha Bow: The Complete Series (Alpha Bow #1-5)

Synopsis

Even Goddesses will kneel for you, Sir. They'll worship you...Ever since the economy went sour, Cody's business has been on the rocks. He can't get credit, and the gorgeous, seductive business partner he's always had a crush on is threatening to walk. When he uses the last of his money to buy a storage locker sight-unseen, he finds nothing but junk inside...until he makes a discover that will change his life! Inside a crate, Cody finds the hidden bow of Cupid himself - an artifact with the power to make people fall madly in love with the next person they see! And when Cody accidentally uses it on the hot young co-ed using the locker next to his, he turns her into a submissive, eager slut who'll do ANYTHING to win his favor! But this is just the beginning for Cody. Now that the Bow is back in the mortal realm, a fertility goddess and her harem of nymphs are planning to steal it for themselves! But the bow has the power to make goddesses fall to their knees with lust - if Cody can figure out how to use it in time...The Alpha Bow: The Complete Series collects the FIVE VOLUME story of Cody's rise from ordinary man to an alpha-male demigod with a harem of mythological beauties at his command! Contains themes of: bimbofication, bimbo transformation, hypnosis, mind control - and contains MF and MFF scenes! 18+
