Customer Reviews

This is a great reference book for anyone curious about the ranks, insignia, decorations, medals, and so forth involving the United States Air Force! With both black and white, and color illustrations giving detailed description on why stripes are placed on a certain part of the uniform, or the design of the insignia, and the meaning of decorations, and so forth.

great condition and provides excellent information.

Did not find the patches I was looking for.

Wonderful book. Full of info.
