Contemporary Issues In Healthcare Law And Ethics, Fourth Edition

Synopsis

Contemporary Issues in Healthcare Law and Ethics, Fourth Edition, examines the most important legal and ethical issues in healthcare and presents essential information that will help you learn to identify and tackle potential legal problems. This thoroughly revised edition includes new information and extensive updates on topics such as: The Affordable Care Act (ACA) The US Supreme Court's decisions on physician-assisted suicide, the liability of health plans, and late-term abortion Legal and ethical issues related to the ACA contraception mandate The high-profile Terri Schiavo case involving termination of life support The HIPAA Privacy Rule and its effect on electronic health records Medical malpractice reform and the reporting of medical errors New to this edition are end-of-chapter activities and discussion questions to facilitate classroom discussions. Also, an in-text glossary has been added.

Customer Reviews

Dean M. Harris, JD, is a clinical associate professor in the Department of Health Policy and Administration, School of Public Health, University of North Carolina (UNC) at Chapel Hill, and adjunct associate professor in the UNC School of Law. In addition, he serves as adjunct professor in the Department of Health Economics and Management in the Guanghua School of Management at Peking University, Beijing, China. He previously taught in an executive MBA program at The Fuqua School of Business at Duke University.

The found the book easy to read after the first two chapters. I've had harder subjects so it's not that

bad. The book is very interesting in terms of the law.

For school, but a great read.

good condition book.

Text was exactly what was needed, but did have more writing and underlining in the text than expected

Great condition and needed for school

Book is in great shape.

This is a book to keep

good book
