If you love Cape Cod, and Claire Murray stores, and what she sells, you will so enjoy this book. I love each and every page of this book. My book was a great buy and in great condition. I was happy to find it on at such a great price. When I lived on Cape Cod, I loved shopping in her wonderful stores. She is a great artist, loves the Cape and Islands like me. This book is the essence of the Cape..It makes a great coffee table book, one you will enjoy looking through, and so won't your guests. I highly recommend this book to all. has great books!!!

When I opened the book, the spine was no longer in tact therefore, the book comes apart. I ordered it for a needlepoint chart that is inside and it is fine but if I had wanted to book for other uses, I would have been more disappointed.

Beautiful book. Shipped promptly. Very pleased.

Love this book. Wonderful photos of Claire Murray's work and directions and charts to make needlework editions of these lovely designs.

Good

A charming book for lovers of Needlepoint and Nantucket. Filled with delightful pictures and colorful needlepoint patterns evoking the many charms of a quaint New England island and delightful Claire Murray designs. And as a bonus, wonderful prose about the island appears scattered among the pages. This is book ranks among the very best of my vast needlework book collection!
