Very good job and I see potential in this young lady, keep up the good work and I look forward to reading more

For this to have been written by a child, I thought this was amazing. Keep up the good work young lady. This book explained what happens from a child's point of view.

I really enjoyed this story. I am definitely waiting to see what this young lady comes up with next. Keep up the good work, God really blessed you with a wonderful story.

What a nice simple story of forgiveness, faith, love and family. This a good book for young children to learn the power of prayer.

I really enjoyed reading this book. At a young age she knows to always keep God in the middle and things always happen in His timing. Everyone knows when daddy or mommy gone nothing is normal anymore! I pray she continues to be a role model for kids today!

This is very good. I really didn't expect it to be this good. Continue doing you thing Mekiya !! !!
