Tales Of The Magical Spartans: A Collection Of Stories From The 1979 Michigan State NCAA Basketball Champions

Synopsis

The magical era of the most famous college basketball game ever played, between Magic Johnson's Michigan State Spartans and Larry Bird's Indiana State Sycamores, is revisited.

Customer Reviews

This was a refresher for me of the "Magic" years. We lived in Lansing in the Everett school district during his reign and know the authors. So many wonderful memories. He has remained the loving son and kind soul of his youth. It's the best book for telling the truths of that era, if they wrote it, it happened. It is not a dirt spewing tell all. Read it and smile!

THIS BOOK IS ABOUT THE MSU NCAA CHAMPS OF BASKETBALL IN 1979. LED MY MAGIC, JAY VINCENT, GREG KELSER AND COACH JUD HEATHCOTE THIS TEAM DOMINATED INDIANA STATE TO WIN THE FINAL GAME. THE AUTHORS INTERVIEW ALL THE PLAYERS AND COACHES AND WE GET THEIR INSIGHT INTO THAT SEASON ALONG WITH WHAT THEY ARE DOING TODAY. I AM AN OHIO STATE FAN BUT I REALLY FOUND THIS TO BE VERY WELL WRITTEN AND INTERESTING. I HIGHLY RECOMMEND THIS FOR ALL SPARTAN AND COLLEGE HOOP FANS.

Being a die-hard Michigan fan, it's hard for me to admit that I enjoyed anything with the word "Spartans" associated with it. Based on a strong recommendation from a friend of mine, I decided to give this book a chance. I am very glad that I did. It offers a collection of wonderful stories

masterfully written by two men who followed this team's every move through the 1978-1979 basketball season. Stabley and Staudt are then able to track nearly every member of the team down 25 years later for their own recollections of what was truly a "Magical" season. A must-read not only for every Spartan fan, but for anyone who appreciates the triumphant nature of the human spirit. I can't wait for the sequel: the story of Rumeal Robinson and the 1989 Michigan Wolverines!

A must for all true Spartan fans as well as basketball fans. The book comes out 25 years after the Spartans' 1979 NCAA championship season and is comprised of many short stories dealing with the players, coaches, media and fans from that season. The stories include the battles the coaches went through to recruit the MSU players including Earvin "Magic" Johnson. It's interesting to see where all 13 players are these days and what they've done in the last 25 years. The battle between Michigan State and Indiana State changed college basketball forever and the book touches the memory banks of those who played in the game. It's a fun read and enjoyable for fans of all ages.
