A Land Remembered, Volume 2

Synopsis

A Land Remembered has become Florida's favorite novel. Now this Student Edition in two volumes makes this rich, rugged story of the American pioneer spirit more accessible to young readers. Patrick Smith tells of three generations of the MacIveys, a Florida family battling the hardships of the frontier. The story opens in 1858, when Tobias and Emma MacIvey arrive in the Florida wilderness with their son, Zech, to start a new life, and ends in 1968 with Solomon MacIvey, who realizes that his wealth has not been worth the cost to the land. Between is a sweeping story rich in Florida history with a cast of memorable characters who battle wild animals, rustlers, Confederate deserters, mosquitoes, starvation, hurricanes, and freezes to carve a kingdom out of the Florida swamp. In Volume 2, with the birth of Zech and Glenda's son, Solomon, a new generation of MacIveys learns to ride horses, drive cattle, and teach rustlers a thing or two. Sol and his family earn more and more gold doubloons from cattle sales, as well as dollars from their orange groves. They invest it in buying land, once free to all, now owned and fenced and increasingly populated, until it becomes just a land remembered.

Customer Reviews

"Well researched and impressively detailed."

"Well researched and impressively detailed."

I enjoyed reading both volumes. There were so many twists in the books. Plus, there were times when I felt like I was really in the moment of that time experiencing life back then. I made me appreciate my life compared to back in the past. I love nature, but not enough to enjoy camping. Living in Florida all of my life, I could imagine the hardships of life in the early days.

A great read and a story that I really enjoyed. My only complaint is that I wish they offered this in a non-student edition and offered both editions together as 1 book.

I enjoyed this book, except for the end.

I read both Volume I and II. Loved them both and could read them again. Very educational on the history of Florida. If I were still teaching every year the classes would be reading these books and doing a book report on both Books. I have never read a book about a state from the beginning of time. It is told as it really was!!

I haven't read it yet. Bought it for my husband who absolutely LOVED Patrick Smith's 'A Land Remembered'. He's not so thrilled with 'Volume 2', says he's not quite half-way through and hasn't come across anything new.

My 9 year old loved this book.

My father love these books! Bought it as a gift for him.

one of the best books ever,gave many to people as gifts
