The Hermitage: 250 Masterworks

Synopsis

Highlights from the palatial Hermitage Museum in St. Petersburg, Russia, are beautifully reproduced in an accessible volume celebrating the museum's 250th anniversary. For 250 years, the State Hermitage Museum has been one of the world's most palatial and significant museums. The Hermitage collections were developed beginning in 1764 by Catherine the Great, Empress of Russia, and now encompass more than 3 million works of art and artifacts displayed within a spectacular architectural ensemble, the heart of which is the famed Winter Palace. Now, on this important anniversary, this stunning volume captures the masterpieces that make this world-famous institution a cultural destination and a global treasure. *The Hermitage: 250 Masterworks* explores this sumptuous collection in the manner of a private tour, showcasing the museum's extraordinary and uniquely underpublished treasures: no other institution has thirty-six Rembrandts; works by Italian Renaissance artists including Leonardo da Vinci, Michelangelo, and Titian; Spanish artists such as Velázquez, Ribera, and Murillo; Flemish baroque artists such as van Dyck, Rubens, and Jan Brueghel the Elder; impressionist and post-impressionist works by Renoir, Monet, Van Gogh, Gauguin, Cézanne, and Degas; and modern paintings by Matisse, Picasso, Malevich, and Kandinsky. Priceless antiquities, feats of mechanical engineering such as the famous Peacock Clock, and works of sculpture and decorative arts will also be shown. With lavish reproductions accompanied by texts by the museum's leading curators, this volume is sure to be cherished by art lovers around the world.

Customer Reviews

"Highlights from the palatial Hermitage Museum in St. Petersburg, Russia, are beautifully reproduced in an accessible volume celebrating the museum's 250th anniversary." — Publishers Weekly

Mikhail Borisovich Piotrovsky has been the director of the State Hermitage Museum since 1991 and has dedicated his career to making its treasures accessible to individuals and institutions around the world.

A sumptuous and colorful overview of one of the world's greatest art museums. Charlie Rose's tour and interview with its general director piqued my interest to see and know more. This book is a fitting and fairly brief tour of the museum's great rooms and its peerless collections. Bravo!

Took a little long to receive but arrived in excellent condition. A very nice addition that was purchased for a friend, who is an art lover. They felt that this was an excellent book and covered many of the significant pieces found in the Hermitage.

Beautiful pictures !

Wonderful coffee table book. Enjoy looking through this book many times over.

Excellent book about an amazing museum. I love it.

Love it! Mostly for the beautiful cover and the Hermitage topic itself. Really worth it if you love Hermitage or you want to know the masterpiece, mainly paintings and structures, in Hermitage.

A beautiful book!

Perfect
