Synopsis

After attempting to kidnap Katara and Sokka, Southerner Gilak leaves a haunting note for Hakoda: "Soon you will see the truth, chieftain". The vow leaves everyone on edge--including Katara, who remains wary of the two tribes' integration. As Northerner Malina announces a partnership with the company owned by Toph Beifong's father, her own brother comes forward to defame her. Have Katara's worst fears been confirmed? Written and drawn by the creative team behind the best-selling *The Search*, *The Rift*, and *Smoke and Shadow*, Gene Luen Yang and Gurihiru, in collaboration with *Avatar: The Last Airbender* and *Legend of Korra* creators Michael Dante DiMartino and Bryan Konietzko, this is the ultimate continuation of *Avatar* and the perfect companion to *Legend of Korra*!

Gene Luen Yang began making comic books in the fifth grade. He has since written and drawn a number of titles. His 2006 book, *American Born Chinese*, was the first graphic novel to be nominated for a National Book Award and the first to win the American Library Association's Michael L. Printz Award. It also won an Eisner Award for Best Graphic Album - New. His 2013 two-volume graphic novel, *Boxers & Saints*, was nominated for both the National Book Award and the LA Times Book Award. Gene currently writes the graphic novel continuation of the popular Nickelodeon cartoon, *Avatar: The Last Airbender*. The *Shadow Hero*, his comic book series with Sonny Liew,

revived the Green Turtle, an obscure 1940s character who is arguably the first Asian American superhero. The Shadow Hero is now available as individual digital issues via Kindle.

My grandson loves these books. He's watched the DVDs over and over. He is dyslexic and graphic novels like this are easier to read. He told me in the few weeks he has been reading them his speed has increased significantly and he is reading harder words more easily even in regular print books.

I love having these comics for the series, I just wish they were longer. The stories they give are so great - and this was a wonderful continuation from part one

Love the story. I hope they continue making more comics following the original crew.

Love the avatar Series. Have all of the comics. This one was just as good. Thank you.

I love the quality and how well it fits with the show.

I can't wait for the 3rd book!!!!
