Wow! I bought this book for my nieces and nephews and couldn't help but read it for myself first. I was kind of surprised that nobody has ever written a Christmas story from the Christmas tree ornament perspective, but John Arvai has done it with such imagination and creativity. I love the characters and the adventure they take. Of course, every good book has a SOLID message we should take away from it, and Off The Hook is no different. Congratulations Mr. Arvai, I can't wait for your sophomore effort, hopefully a sequel.

"Off The Hook" is a must read for all kids, big or small! The author, John Arvai III, has a wonderful take on how life is thru this sweet, sensitive, funny adventure of Christmas ornaments! I bought it for my grandchildren and have loved it so much I bought more copies because I wanted all my friends to share it with their families. And some of them do not have small children. This is a book for all ages. You come away feeling good about love and life. You'll definatly read it more than once, I promise! Thank you John Arvai III for sharing your story!

Great Christmas Childrens book, completely different from the average Christmas story books. It sheds a different perspective on the way children are used to hearing about Santa! Grade "A+" book enjoyed it tremendously recommend it for all ages and hope one day Hollywood turns it into a
