Customer Reviews

Kingfisher is an award-winning publisher of non-fiction and fiction for children of all ages. Known around the world for its informative and engaging reference and early learning books, Kingfisher also receives widespread acclaim for its classic anthologies for five- to fourteen-year-olds and original picture books for very young children.

Gift for second grader who loves to read and find new words. Got a pocket size so she can take it to school or carry it around the house as a quick reference. For an early reader, this teaches using reference books for information and to satisfy curiosity.

My son has ADHD, 4th grade requires more than we expected, this book had added excitement to the "search and find" educational process. It is great for us.

Light and easy to use

very good

Excellent \$ and condition - I will always check with before purchasing a book somewhere else - they had the best \$ and free shipping.
