# Think Like A Cat: How To Raise A Well-Adjusted Cat--Not A Sour Puss

## **Synopsis**

America's favorite cat behavior expert, author of *Catwise* and *Cat vs. Cat*, offers the most complete resource for cat owners of all stripes, now fully updated and revised. "The queen of cat behavior" - Steve Dale, author of *My Pet World* Think it's impossible to train a cat? Think again! By learning how to think like a cat, you'll be amazed at just how easy it is. Whether you are a veteran cat lover, a brand-new owner of a sweet kitten, or the frustrated companion of a feline whose driving you crazy, Pam Johnson-Bennett will help you understand what makes your cat tick (as well as scratch and purr). Topics range from where to get a cat to securing a vet; from basic health care to treating more serious problems; choosing an irresistible scratching post and avoiding litterbox problems. A comprehensive guide to cat care and training, she helps you understand the instincts that guide feline behavior. Using behavior modification and play therapy techniques, she shares successful methods that will help you and your cat build a great relationship.

## **Customer Reviews**

"Think like a cat--it's a tall order but sound advice in a fun book full of expertise and compassion, wisdom, and promise of great cat-filled years to come."--Roger A. Caras "An insightful and easy-to-follow tour of the land and language of felines. Even experienced owners will benefit from this book. She's the queen of cat behavior!"--Steve Dale, author of *My Pet World* "If you have a cat, buy this book. If you know someone who shares their home with a cat, buy it for them!"--Mark Waldrop, DVM, Nashville Cat Clinic

Pam Johnson-BennettÂ Â hosted the Animal Planet UK series "Psycho Kitty." She is best-selling author of 7 books on cat behavior. With a career that began in 1982, Pam is considered a pioneer in the field of cat behavior consulting.Â Â Pam was vice president of the International Association of Animal Behavior Consultants and the founder and longtime chair of the IAABC cat division. She served on the American Humane Association's Advisory Board on Animal Behavior and Training and the American Humane Association Cat Health and Welfare Forum. She is also on the Advisory Board for Tree House Humane Society. She lectures worldwide at veterinary conferences and animal welfare organizations. Pam is the recipient of numerous awards, including the Winn Feline Foundation Media Award and the IAABC cat division award. In addition to her work with cats, Pam is the co-author of Cookies for Dinner. This book chronicles the funny and often embarrassing side of motherhood. The sequel to Cookies for Dinner is set for release in late 2015/early 2016.Â Â Pam owns Cat Behavior Associates, LLC. Website [catbehaviorassociates.com](http://catbehaviorassociates.com)

Pam Johnson-Bennett complete gets cats, and completely gets how to explain them to those of us who love them but need help understanding them. I've loved her books for years and can totally recommend this and all the rest.

If you are like me ...oblivious to how to take care of a cat well then this book is for you. This book helped me understand my DLH cat more and what makes her tick. It's a pity this book did not come along to give me all the tips on preventing all the scratch marks on my hands. This book will never catch dust because it is guide that can be used throughout every stage of my cat's life.

The book arrived promptly with two day shipping. I ordered a previously used copy of the book which appeared unused/new upon delivery. I highly recommend this book to anyone wanting to learn more about the behavior of cats or having any issues with their current cat(s). The sections are very organized and the reader will be able to find information on their specific issues quickly. I would (highly, as stated before) recommend the book and seller.

We just got our first pet and this book has been so helpful and informative! Even my husband, who has had tons of cats growing up, has enjoyed reading this book. Plus, our kitten looks just like the one on the cover.

I am adopting two kittens in the next few months and this book taught me so much I did not know.

Hurray to Pam Johnson Bennett. A must read for a cat owner or soon to be cat owners. You be surprised how much you don't know and how well you can be so bonded with your cat and meet his needs at the same time. Highly recommend

I became a fan of this author when I read her books, "Starting from Scratch" (for help with my problem kitty) and "Cat vs. Cat". I figured, "Think Like a Cat" would be pretty basic, and some of it was, but there were some good, "take aways" as well. You can't go wrong with any of her books!

I didn't realize how big the book was, lots of chapters about so many different and difficult things that matter to raising a well adjusted cat

A lot of good, clear, practical advice in this book, although some of the training tips would be very time consuming. All of the suggested equipment would run into a lot of money, too, if you were to run out and get it all.
