Let's Think Outside The Box, Let's Think Fried Rice Cookbook: Thai, Chinese, Mexican And More!

Synopsis

Fried rice is an awesome dish no matter what age you are and what you like to add to it. I think it can be as salty or sweet as you like it. It can be spicy or very subtly prepared with diversified seasonings and herbs. It can also be filled with meats or simply vegetarian. Fried rice can be made with brown rice, white rice, basmati rice, sticky rice, or whatever rice you would prefer to use, because after all, you and your family are the ones eating it! Many of us have been introduced to fried rice at restaurants, perhaps Chinese, Thai, or Japanese styled, and we continue to embrace this dish at home, trying to copy their successful recipe. However, there's nothing wrong with thinking outside the box and creating an unique fried rice recipe, we do it all the time! Let's continue on our fried rice culinary adventure, by turning the page and discovering more of this incredible cookbook!==> BUY THIS BOOK TODAY AND GET BONUS COOKBOOK INSIDE!!
