I love this book! You should really buy it if you want to learn how to pray more!Ã Â^Ã

I gave this to my teen (15) to use during her devotional time. She just completed it and said it was good! Sometimes reading can teach us far better than listening to talking/teaching on deeper subjects...it gives one unlimited time to pause and contemplate...not to just be dragged along by the next topic in a talk. We have 3 daughters so we really trust and purchase a lot of Elizabeth George books. Good stuff!

A wonderful book for all young teens. Recommending it to Everyone. You will learn how to and much moreThanks.Erica L.
