Great Grandson loved it!!!!!!!!!!!! His name is Flynn.....he's 4.

Was a gift to my grandson who *loves* Thomas the Train. He LOVED this book!

Fun first reading books

My son loves this book. He wants to read it over and over. This seems to be one of the better Thomas & Friends "Step into Reading" books. Have ordered some others and they were less interesting and engaging. This one has much more substance. It's a big hit in our house!

Another great Step into Reading book! My boys love Thomas so we are collecting all the ones we don't have yet. This will aid with reading, phonics and sight word skills and your child won't even know they are learning! My son memorizes the words and he's only 3. These are great quality and will last thru passing them down from child to child..

Cute book..but in our house our 2 year old ggson loves Thomas. I buy these books for my kindle fire so when he comes over to spend the night he can read the books with grommy. I will be buying more. You can't read just one!!!!

Great for little readers 2-3yrs

Such a cute book. Perfect for a 2-3 getting ready to read. Came in the mail two days after purchase.(prime) I can't wait to give it as a part of his Christmas present.
