Psychology And You Student Workbook

Synopsis

A comprehensive high school level introduction to the study of psychology Psychology and You utilizes a writing style that talks with students using examples and language relevant to their lives. Anecdotes, historical facts, unusual events, everyday issues and concerns, and humor are also built in to keep students' interest. This program has been fully correlated to the proposed standards for teaching high school psychology developed by the American Psychological Association.

Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

This book is currently my high school psychology textbook. It is easy to read and has illustrations to help you understand the material. You only have to read it once, and you'll be able to answer all the questions after each chapter. That is how clear and concise this book is.
