How To Hike The Overland Track In Tasmania, Australia

Synopsis

The Overland Track is designed to give you the skill and inspiration to tackle the Overland Track in Tasmania, Australia. Created by experienced multi day hikers, it is packed with tips and ideas to make bookings, preparation, planning, gear selection, packing and cooking meals easy. The great thing is it includes a comprehensive guide on how to juggle bookings, flights, transfers and accommodation and then helps you sort out gear and food. We help you enjoying a hassle free trip on the Overland Track listing the right gear, food and sharing our inside knowledge from over 18 journeys between us. Advice that saves you time, ensures you are properly prepared, shares a huge amount of tips and tricks to make the journey hassle free and safe. What people have said about the guide: This one resource will open up an information gateway to a safe and less complicated trip into some of the most spectacular areas in Australia. From which bus to catch there, to what food and gear to take and where to get it in Tassie, is covered. There are many Overland Track resources available (and this e-Book refers you to these). What is not covered in these other resources are the specific logistics of organising such a trip. Frank also offers his opinion and give his wise advice about a range of OT specific areas and it has assisted me greatly in my planning. - Steve Cockburn Just made it back. A wonderful 7 day trip with my daughter. A few aches and pains, nothing serious, lots of good memories and pics. Your ebook was key to our planning - went without a hitch - Rex

Customer Reviews

This book contains some good information on logistics which is hard to find in blogs. However, there are too graphis which are difficult to read in Kindle format. Would like this much better if it was a paperback form.

"How to hike the Overland Track in Tasmania, Australia" is developed with the aim of providing help in the form of useful techniques and tips for walking the Overland track in Tasmania. Since it is written by experienced and very skilled hikers we get some really good advice and tips which are worth the price. The best thing I liked about this Kindle edition is that it has an actual comprehensive guide which helps manage pre-trip accommodation and transfers and also helps to sort out the food and gear you will need. Anyone who purchases this guide should have a very smooth and enjoyable trip on the Overland track. You will be able to save a lot of time getting onto the track The language used in this edition is very simple and easy to understand. After reading the book, I am confident I would get through the journey without too many worries. This guide is easy to follow and I really enjoyed reading it. After reading this book, I can now easily plan the whole journey to the Overland Track in Australia. Also, there are a number of other Overland resources mentioned in the book which can be a help planning my trip. Almost everything is mentioned in the book from which bus to board, flights to be booked, good accommodation as well as what kind of food works well on the journey and what gear you need. A totally recommended book for all those avid travelers! After reading this book, your journey is definitely going to be a hassle free one!
