Inventing Arguments, Brief (Inventing Arguments Series)

Synopsis

Organized around common rhetorical situations that occur all around us, *INVENTING ARGUMENTS* shows you that argument is a living process rather than a form to be modeled. Through the text's prominent focus on invention, you will learn to recognize the rhetorical elements of any argumentative situation and apply the tools of argument effectively in your own writing. The basic layers of argument are introduced in early chapters, with material arranged into increasingly sophisticated topics beginning with the most obvious or explicit layers (claims) and moving to more implied or "hidden" layers (assumptions, values, beliefs, ideology). By the time you finish Part 1, you will have a thorough understanding of argument, which you can then apply not just to the invention projects in Chapters 7-12 but also to your writing for other college courses and beyond.

Book Information

Series: Inventing Arguments Series

Paperback: 496 pages

Publisher: Cengage Learning; 4 edition (January 6, 2015)

Language: English

ISBN-10: 1305113314

John Mauk has a Ph.D. in rhetoric and writing from Bowling Green State University and a Masters in language and literature from the University of Toledo. Scholarship includes an article on critical geography and composition (*COLLEGE ENGLISH*, March 2003). Mauk now teaches composition and rhetoric courses at Northwestern Michigan College. In 2007, he served on the NCTE Nominating Committee. John Metz has a B.A. in English from Slippery Rock University of Pennsylvania (1983) and an M.A. in English from the University of Toledo (1985). He has taught first-year writing for over 20 years and currently teaches at Kent State University at Geauga in

Twinsburg, Ohio.

Thank you

It did meet expectations, and was not damaged, though with the abundance of coverage with the used book tape i wasn't sure it was the correct one, but i compared it to a new book afterwards

only available on iPad, this was not made clear before I purchased it. It has been very difficult for me to read.

it was the wrong book

Good condition, great price.
