GOLDIE: Night Rebels Motorcycle Club (Night Rebels MC Romance Book 4)

Synopsis

Goldie, Road Captain of the Night Rebels MC, loves women and women love him. He's a simple man who only needs his Harley, whiskey, and women—in that order—in his life to make it hum. Being an officer of an outlaw motorcycle club, the women are more than willing to accommodate the blond, ripped, and tatted biker. His rule is simple: pleasure without commitment. It's served him well until one night when she walked into the club's tattoo shop wanting an ink job on her sexy bottom. For reasons he doesn't understand, he's drawn to her. He wants to get to know her. Then he finds out her name is Hailey Shilley. He hasn't seen her since she moved away from Alina eleven years ago. She's off limits. She's his best friend's little sister. He has to forget about her. Problem is he can't get her or her sweet tattoo out of his mind. Hailey Shilley left Alina when she'd first started high school. She's back to help her aunt run her floral shop. When she stumbles into the tattoo parlor with her two friends, she doesn't expect to find the most gorgeous guy she's ever laid eyes on. His ripped body, strong jaw, and to-die-for tats make her tingle all over. She can't get him out of her mind. When she finds out he's her brother's best friend, she can't believe what a hunk he grew up to be. But her brother warned her about him. Told her he's an outlaw biker and a player. She always had a crush on him, but now that they're both grown up, she isn't sure she wants to risk her heart to him. While Hailey tries to put aside her fears and Goldie his loyalty to his buddy, women are being terrorized and female bodies are turning up all around the county. A madman is loose and he's closing in on the women Goldie holds dear to him. Can he be stopped in time? This is the fourth book in the Night Rebels MC Romance series. This is Goldie's story. It is a standalone. This book contains violence, sexual assault (not graphic), strong language, and steamy/graphic sexual scenes. It describes the life and actions of an outlaw motorcycle club. If any of these issues offend you, please do not read the book. HEA. No cliffhangers! The book is intended for readers over the age of 18.

Add another name to my book boyfriend list. My list is getting pretty long considering every single one of the men in Chiah Wilder's books are on the list. Goldie and Hailey, childhood friends become something more. I really liked their story. I would love to see her friend Rory end up with Army or one of the other guys. She was such a downer, I would love to see her eat her words about bikers. My only problem with the book was the story of Hailey's ex. What made Ryan think he was there? What happened to him? Maybe he'll show up in another book. Maybe part of the rival MC? This is great addition to the Night Rebel MC series. It was nice to see some of the Insurgents show up as well. Read this one and enjoy it, but remember he is my book boyfriend.

Goldie is the road captain of the MC and he is what most would expect, he loves his booze, women and riding but the women are always temporary, until he has her walk into his tattoo shop and he realizes who she is, he can not get her out of his mind and she feels the same way, he is her brother's best friend and she has had a crush on him for a long time, they both fight it but with all the women coming up dead and he just knows Hailey is next, I love this whole mc series and have never missed a book of hers.

I have been eagerly awaiting Goldie's book and Chiah did not disappoint! I always love the best friend's little sister stories. I love this new series by Chiah and every time I think I have a favorite book, I fall in love even more with the next! I love to see these dirty taking alphas fall to their knees and Goldie was no exception. And as always, it was nice to see some of my beloved Insurgents

make an appearance.

THIS BOOK IS AMAZING FROM PAGE 1. I LOVED THE STRUGGLE GOLDIE WENT THROUGH WITH WANTING HAILEY, EVEN THOUGH IT WAS HIS BEST FRIENDS LITTLE SISTER. BUT THE PULL WAS THERE AND IT WAS TOO HARD TO RESIST. AND WHEN THEY GET TOGETHER, SPARKS FLY!!!! AND WITH THE HAPPY COMES THE DANGER LURKING AROUND THE CORNER!!!! THE MYSTERY BEHIND THE DANGER KEPT ME ON EDGE....MY FAVORITE TO READ

Another great read from Chiah. I read this as an Arc and just bought it. Goldie aka Garth was in love with his best friend's sister, which to him is a no no. But there are some weird things happening in their town and he sets out to claim her and protect her. This is a fabulous read and another win for Chiah. Pick up yours now.

I love this series. I love the characters and the storyline was great. From the time I got the book, it kept my attention to the end. Mr. Wilder, when are you writing a storyline with a West Indian dreadlocks woman, soca and all. Please!

Each book in the Night Rebels series gets better and better. I love how 2 people started as childhood friends/crushes and find each other. Wilder does an excellent job, as usual, of blending humor, love, romance, and suspense while showing us the ins and outs of an outlaw biker club. A must read for any fan of bikes and hot Alphas who love their women as much as they love their bikes and their kutties.

Another winner by Chiah Wilder. Great read, lots of twists and turns and action plus romance and suspense. Just LOVE her books. Can't wait for the next installment.
